Confirm minimum effective concentration (MEC)

Order Number 20392
2 Bottles/120 Strips

“*What I liked was the simplicity — it’s easy to use and easy to navigate. I’ve used other systems that were complicated or difficult, but this is a good basic. It’s really all you need: look up pricing, look up products, and no big thick paper catalog. It’s a great resource, and I’d definitely use it again.*”
